Dear WASHINGTON DC;

IF YOU TAKE TRAFFIC WEATHER FROM XM THATS THE LAST STRAW, ITS NOT A FREE COUNTRY!  
WHEN IM DRIVING MY TRUCK AND IM IN FLORIDA HEADING TO CHICAGO I TURN TO XM TRAFFIC  
WEATHER TO GET A GOOD WEATHER REPORT. ONCE I GET ONE HOUR FROM CHICAGO I LISTEN FOR  
THE TRAFFIC AND I CAN PLAN TO TAKE THE SAFEST ROUTE. YES SAFTY COMES FIRST, TRAFFIC  
WEATHER PROVIDES ME WITH CONTINOUS INFO DOWN TO THE MPH THE TRAFFIC IS FLOWING.

FREEDOM OF CHOICE!!! MY CHOICE IS INSTANT TRAFFIC AND WEATHER. MAYBE THE NAB SHOULD  
HAVE A BETTER PRODUCT AND I WOULD LISTEN.
